ALIZÉ™ 2-in-1 CROWN Foaming Hand Soap

Dermatologically Tested, Soft and Safe Foaming Hand Soap with Crown Collar Housing Air Freshener Component.

DESCRIPTION

ALIZÉ™ is a latest-generation hand foaming wash soap, specifically formulated focusing on key safety and environmental aspects: A formula free from molecules and extracts whose toxicity, allergenicity, carcinogenic and endocrine-disruption effects are now suspected or recognized, and free from those which are non-biodegradable or with overly slow biodegradability.

ALIZÉ™ is therefore a dermatologically tested soap which is 100% biodegradable.

ALIZÉ™ Foaming Hand Soap is formulated to carefully cleanse the skin, without dehydrating it, leaving hands feeling soft and smooth, with a light luxurious green tea scent.

ALIZÉ™ 2-in-1 CROWN bottle presents a nice round shape and is equipped with a collar nicely designed in the shape of a 'crown', discreetly housing a fragrance impregnated paper allowing for an effective economical air-freshening.
