

## TECHNICAL DATA SHEET

# NOVOGEL AB

## Antimicrobial Hydroalcoholic Hand Gel

### DESCRIPTION

Novogel AB is specifically formulated to provide antimicrobial protection in situations where exposure to different microbiological contamination is possible or likely. Novogel AB includes Aloe Vera and is pH balanced, and so avoids dryness & irritation of skin. Novogel AB, with its unique fragranced signature, had been tested under European standard to prove virucidal and bactericidal activities.

Novogel AB exists in various formats, suitable for every occasion and uses, including a single dose of 3mL.

### FEATURES & BENEFITS

- Kills 99.99% of germs fast (See below table).
- Proven efficacy in 30 seconds according to EN14476 and EN13727 standards.
- Meets infection control guidelines recommended by both the World Health Organisation (WHO) section 11.3 Alcohols and Table I.11.5 and also the US Center for Disease Control (CDC) pages 3 and 8.
- Passes Option C test of the Australian Therapeutic Goods Administration, which demonstrates anti-bacterial activity.
- Not sticky ; No rinsing required.
- Formulation with Aloe Vera and balanced pH to reduce skin dryness and irritation.

### DIRECTIONS FOR USE

1. Apply 1–2 pumps to clean, dry hands.
2. Rub over the whole hand surface and interdigital spaces while 30 seconds, so until dry.
3. Repeat for full effectiveness. Do not rinse off. No water or towel is required.

### PHYSICAL PROPERTIES
